AUSTRALIAN BRED ROSE OF THE MONTH

Lady Phelia

Bred for Australian Conditions

November 2019

an initiative of Ausrose Promotions

Lady Phelia

A great rose with "Abraham Darby" in its parentage. It is more compact, slightly pinker and does not hang its head

Thrives in dry conditions thus ideally suited for most Australia conditions. Bred by George Thomson who has many outstanding roses to his credit including Love's Gift and Crown Princess Mary.

The blooms of Lady Phelia have an intense fragrance and full of petals like a David Austin English Rose.

SELECTING AUSBRED ROSES FOR THE 2020 SEASON

***Australian Bred Rose of the Year**

Below are catalogued Australian bred roses from nurseries. For many years our Australian bred roses have played second fiddle to the imports and as recent trial garden results and show results have shown Australian bred roses are equal to any of the imports on the show bench and being bred locally they generally perform better in the harsh Australian conditions than the imports.
