AUSTRALIAN BRED ROSE OF THE MONTH

Our Rosamond-Bred for Australian conditions

June 2017

an initiative of AusrosePromotions

Our Rosamond is one of the many outstanding roses bred by highly regarded Victorian rosarian Ron Bell. Our Rosamond is a tall growing hybrid tea having pale pink blooms with deep pink edged petals that are slightly darker on the reverse side. The classically shaped high centred blooms and have won numerous champion ribbons on the show bench. One such win being champion exhibition bloom at the Sydney Royal Easter Show. The almost thornless bush with attractive green foliage produces an abundance of mildly fragrant blooms that have an excellent vase life.

Ron Bell

Our Rosamond nominated
by John Brockmuelen

Ron Bell is one of the standout rosarian of the last century being an administrator, breeder and author. As an administrator he served long periods as Secretary, Treasurer and Subscription Secretary of the VRS. Like many rosarian administrators he turned to breeding registering roses his breeding led to him writing the book "Amateur Guide to Rose Breeding". Over his long and illustrious career Ron was recognised for his contributions to the rose with numerous awards these being:- Stewart Memorial Award 1979, Australia Rose Award 1987, Order of Australia 1993 and International Award for Rose Breeding 1999
